

WESTERN SECTION OF THE WILDLIFE SOCIETY

The Wildlife Society is an international non-profit scientific and educational association dedicated to excellence in wildlife stewardship through science and education. Our mission is to enhance the ability of wildlife professionals and wildlife students to conserve diversity, sustain productivity, and ensure responsible use of wildlife resources and their habitats. The Western Section of The Wildlife Society is comprised of over 1000 wildlife managers, biologist, ecologists, and students from California, Nevada, Hawaii, and other western states all devoted to the sustainable conservation of wildlife in the western United States.

Every year the Western Section holds an annual meeting to provide wildlife professionals the opportunity to share their scientific findings, promote student involvement, and to raise money for ongoing and future programs aimed to follow our mission's goal. The 2019 meeting theme is **“Death And Taxes: Extinction and Speciation During the Anthropocene”** and the meeting will be hosted at the Tenaya Lodge in Fish Camp, CA from February 4-8, 2019. We expect over 600 wildlife professionals and students to attend.

In the past, generous tax-deductible contributions (Federal Non-profit 501(C)3 ID # 95-4470836) to the Western Section raffles have allowed us to help support the educational and professional development of the next generation of wildlife biologists and managers. During the course of our five-day meeting, raffle and auction contributions will be displayed with donor information in a public place accessible to all meeting attendees. The raffle will take place during our awards banquet where donors are acknowledged prior to each item being awarded. In addition, the Western Section will recognize contributors on our website, <http://www.tws-west.org> , on a donor sheet handed out in the registration packets each registrant receives, and on a poster board displayed with the prize items.

Suggested donations include, but are not limited to, artwork, hunting or fishing trips, vacation home stays, camping equipment, outdoor clothing, optics, navigation equipment, gift certificates, etc. Cash donations are also appreciated and will be used to purchase appropriate raffle items.

Contributions can be sent to TWS-Western Section, c/o TWS-WS, PO Box 6756, Albany, CA 94706, or arrangements to pick up donations, questions, and additional information can be discussed by contacting me at (510) 684-8590 or candace.renger@gmail.com.

Thank you for your consideration,

Sponsorship Opportunities

66th Annual Meeting

February 4-8, 2019

The Western Section of The Wildlife Society

Tenaya Lodge at Yosemite -- Fish Camp, California

www.tws-west.org for the latest updates

We hope you will consider sponsoring the Annual Meeting of the Western Section of The Wildlife Society. Sponsors help us reduce meeting registration fees for our attendees plus fund subsidies for students and early career professionals. Sponsors also help us raise operating capital to promote sustainable management of wildlife resources.

Thank you for your consideration!

About TWS-WS:

The Western Section of The Wildlife Society is a non-profit 501(c)3 scientific and educational association dedicated to excellence in wildlife stewardship through science and education. Our mission is to enhance the ability of wildlife professionals and wildlife students to conserve diversity, sustain productivity, and ensure responsible use of wildlife resources and their habitats. The Western Section of The Wildlife Society is composed of over 1,000 wildlife managers, biologists, ecologists, and students from California, Nevada, Hawaii, and Guam all devoted to the sustainable conservation of wildlife in the western United States region.

About the TWS-WS Annual Meeting:

Besides our members, our annual meeting guest list includes a number of academics, consultants, industry representatives, agency personnel, students and legal professionals from all parts of the country that attend due to the quality and variety of wildlife research papers that are presented during the conference.

Key Reasons to Participate in our Annual Meeting:

- Demonstrate your support for wildlife stewardship
- Publicity! Your name will be seen by thousands of individuals and organizations
- Make face-to-face connections with 600+ wildlife professionals
- Generate new contacts & renewed interest in your organization
- Choose from several levels of sponsorship options ranging from \$1,500 to \$10,000 Sponsors participating as Exhibitors will have a high-profile, centrally located space, adjacent to the refreshment breaks and meeting events, which will allow for maximum company and/or product exposure
- Sponsors receive a tax deduction for a portion of their sponsorship to a 501(c)3 organization
- Pledge early to maximize your advertising possibilities!
